Students enrolled in CTE programs receive the support to gain the skills and experiences necessary for workplace success.

- The Technology Lending Library through Student Support Services is available to Special Population students.
- A student must submit a completed application with a copy of their detailed schedule for review of eligibility for the technology loaner program.
- All technology loaner equipment is loaned for one semester at a time.
- Students must save all work to a flash drive on the loaner equipment.
- Chromebooks, Laptops, and Calculators are loaned through this program.
